

# GOT VOLES?

*Remember the damage voles did to your yard last spring?*

**A proven organic treatment that is non-toxic, safe and it works!**

## **BIOSOL 100% Organic**

- Reduces or eliminates voles by 80-100% - Proven
- Safe for children, pets, and wildlife
- Easy to apply using a spreader
- Listen - you are going to fertilize in the spring anyway
- Fertilize now and get vole protection. You won't have to fertilize in the spring
- Apply right before the snow flies (and stays)
- One bag covers 2,000 square feet
- Priced at \$74.99 per 50 lb. bag

**SAVE**

**\$10**
